**3. Agenda**

**A. Upcoming Planning and Transportation Committee**

Mr. Lombardo walked the BAC members through his presentation entitled “2012 Transportation Bond Program Accommodation for Bicyclist.” This presentation is scheduled to be made at the upcoming Planning and Transportation Committee, Monday, November 26 @ 5:30 PM in the Study Session room. The informative, 24 slide presentation covered many aspects for cycling in Norman, including the Comprehensive Transportation Plan (CTP) survey results and Encompass 2035, as well as specifically addressing W. 36<sup>th</sup> Avenue NW, West Lindsey, and 24<sup>th</sup> Avenue East. The presentation had two recommendations: (1) “amend the City’s Bicycle Transportation Map to designate 24<sup>th</sup> Avenue East (from north of Lindsey Street to Robinsons Street), 36<sup>th</sup> Avenue NW (Tecumseh Road to the northern City Limit) and Lindsey Street (from I-35 to Pickard Avenue) as Striped Bike Lane facilities”, and (2) “authorize staff to proceed with the design of the various projects as multimodal roadways with bicycle lanes in order to complete preliminary plans and secure additional readiness point when applying for federal funds in December 2012.”

**B. Motion for the “2012 Transportation Bond Program Accommodation for Bicyclists”**

There was a motion made to support the “2012 Transportation Bond Program Accommodation for Bicycle” presentation and its two recommendations, scheduled to be presented at the upcoming Planning and Transportation Committee meeting. The motion passed unanimously.

**C. Proposed Striped Bicycle Lane on 36<sup>th</sup> Avenue NW. by Ideal Homes**

Zack Roach and Richard McCoven from Ideal Homes presented a proposed for a striped bicycle lane on 36<sup>th</sup> Avenue NW with a diagram entitled “Revised Striping Plan for 36<sup>th</sup> Ave. N.W. 11-5-12.” After some discussion, it was decided to table the issue until after the upcoming Planning and Transportation Committee on November 26 and the following City Council meetings in which the Striped Bike Lane facilities will be discussed.

#### **D. University of Oklahoma Bicycle Master Plan**

Tom Woodfin gave a brief update on the OU Bicycle Transportation Plan and handed out a presentation entitled “University of Oklahoma Bicycle Master Plan.”
